Calendar of Events

Feb 2016, TBD– Board of Directors Meeting
Reston Community Center @ Hunters Woods
Village Center, 2310 Colts Neck Rd, Reston VA

!!IMPORTANT!!

There were numerous reports this past summer of break-ins, theft, and vandalism. Please lock your cars and homes and remove anything of significant value from your yards/porch. The Board had local police conduct random patrols around the neighborhood and initiated a Neighborhood Watch. More to follow.

Landscape Enhancement

The Landscape Committee has worked diligently meeting with vendors to provide the cluster with additional landscape designs. The designs will include the front entrance areas and lower Glencourse lawn. The committee will post the designs on the Glencourse website within the next couple months for a community vote.

Drainage

Work for Phase III (2000-2008 & 2010-2018 Winged Foot Ct) is currently underway with completion tentatively by the end of the calendar year. Phase II (2136-2194 Glencourse Ln) is still pending as we review our options and wait on results from land surveys and permissions from FFX County. Thank you for your patience!

Cluster Standards

TWC Management conducted a semiannual inspection this past September. Thank you to everyone who corrected their violations in a timely manner and all those who continuously maintain their homes to the highest standards.

"Nextdoor" Cluster Communication

Our cluster has started using a private online network called Nextdoor Glencourse to allow us to share community events/notices, contractor recommendations, items for sale/free, crime/safety concerns (Neighborhood Watch), ideas about how to make our neighborhood better, and more. The Board will send updates/reminders via the Nextdoor site and will limit the Board organization account to respond to your personal inquiries and other official business (i.e. meeting agenda, newsletters). Modifying your "settings" will ensure you minimize messages from neighboring clusters and daily notices. Please contact the Board if you have not been added to our private Nextdoor site.

Christmas Tree Disposal

CSI will collect Christmas trees on Wednesday, January 6 and January 13. Please do not place trees in bags. Remove all tinsels and ornaments and place trees on the curb by 6:00 a.m. during these days. Thank you!

CSI Inclement Weather Policy

Winter weather within the upcoming months may impact trash and recycling service. Service may begin late, be postponed to the next regularly scheduled collection day, or cancelled. Please see their website, www.csidisposal.com for announcements or call customer service at 703-444-3181 ext 0.
