Note From Our Secretary

Hello Neighbors. My name is Laura Thompson and I was recently elected Secretary of the Glencourse Board. I moved to our wonderful community in 2005. I am focused on improving communications along with our newly formed Communications Committee. As an initial objective, we have launched this monthly Newsletter. If you'd like to contribute to the newsletter or have ideas for content, please contact the Glencourse Board via email.

Our next objective is to get our website updated. We are looking for a volunteer who can redesign our site and then hand over the reins to the Communications Committee for maintenance. If you are interested or know someone who is, please send an email to glencourse.board@verizon.net. This would be a great project for a student who is looking to earn some extra credit.

In closing, please send/update your email address by emailing the Board and sign up for Nextdoor Glencourse if you haven't already done so. Details were provided in the last newsletter. If you need them again, please email the Board and we'll be happy to provide them.

Updates on Projects

Trees: SavATree will be in the neighborhood doing tree work at the end of May. There will be a few big dead or dying trees that will be coming down, as well as trim work around the neighborhood.

Drainage Update: The application to fix the drainage issues behind 2136-2164 Glencourse has been approved by the DRB. We are waiting to hear back from the contractor for a start date.

Standards Committee

Thank you to Samantha Gilman for taking the lead position on the Standards Committee. We are currently looking for more members for the committee. We will be working on updating standards such as light fixtures and paint schemes. We will also be focusing on developing inspection criteria to maintain the appearance of the cluster and the value of our homes. We will have an organizational meeting in June. Please email the board if you are interested in joining the standards committee.

GLENCOURSE CLUSTER NEWSLETTER

News from the Moms Group

Congratulations to the Good Family on the birth of their 3rd daughter Annabell. If you would like to join the Moms Group, please email Sarah Donovan at iamsarahdonovan@gmail.com.

Friendly Reminders

- Trash and yard waste is picked up on Mondays & Thursdays. Recycling is picked up on Wednesdays; trash and recycle/yard bins must have unit numbers (3 inch/black numbers on white background) posted on the lids or sides of containers. 3" vinyl numbers can be purchased at Home Depot.

- Please abide by one-way street traffic & 10mph speed limit at all times
- Take time to enjoy the native plant gardens installed in the common areas, but please be mindful not to trample the plants or allow your pets to urinate on the plants.
- Please let the Board know if there are any areas of the cluster that need improvement. This is all of our homes and every opinion is important.

KIDS CORNER

The Kids Corner is a new section to the monthly newsletter. It is made by the kids of Glencourse. To contribute to the newsletter please make submissions to cluster board President Mercedes Barton (glencourse.board@verizon.net). We will try to fit all submissions but space is limited. No limit to submissions, let's bring some kid-fun to the newsletter. Thanks!!

Under direction of the Kid' Board's new president, William Barton he has named
